Student Club Event Ticketing & Budget Portal

USE CASE 1: Submit Event Proposal

Actor: Club Lead

Priority: High

Related FRs: FR-002

Preconditions

- Club Lead is authenticated and logged into the system
- Club has valid registration with the university
- Event date is at least 14 days in the future
- System is operational

Postconditions

- Event proposal is created in the system with "Pending Faculty Review" status
- Confirmation email is sent to Club Lead with proposal ID
- Proposal is routed to Faculty Coordinator for initial review

Main Success Scenario

1. Club Lead navigates to "New Event" section
2. System displays event proposal form with mandatory fields
3. Club Lead enters:
 - Event name (e.g., "Tech Talk: AI in 2026")
 - Event date and time
 - Expected attendance (e.g., 150 people)
 - Venue (indoor/outdoor, capacity)
 - Event description and objectives
 - Estimated budget amount (₹5,000 - ₹2,00,000)
 - Club name and contact person details
4. Club Lead attaches supporting documents (optional: flyer, agenda)
5. System validates all mandatory fields are filled
6. Club Lead clicks "Submit Proposal"
7. System assigns unique Proposal ID (e.g., PROP-2026-1024)
8. Proposal moves to Faculty Coordinator's queue
9. System sends confirmation email: "Your proposal PROP-2026-1024 has been submitted"

10. Club Lead sees success message and is redirected to proposal tracking page

Alternate Flow

Alternate Flow A: Validation Fails

- At Step 5, if mandatory fields are missing (e.g., budget not entered):
 - System highlights missing fields in red
 - Error message: "Please fill in all required fields: [list fields]"
 - Club Lead corrects the form
 - Resume from Step 6

Alternate Flow B: Budget Exceeds Limit

- At Step 3, if Club Lead enters budget > ₹2,00,000:
 - System displays warning: "Budget exceeds standard allocation. Additional justification required."
 - Club Lead must provide detailed budget breakdown and business case
 - Proposal is marked as "High Budget - Requires Dean Review"
 - Proposal goes directly to Dean after Faculty review (skips Finance)

Alternate Flow C: Event Date Too Soon

- At Step 1, if event date < 14 days away:
 - System displays error: "Event date must be at least 14 days from today"
 - Club Lead selects new date or cancels proposal
